# **Welcome to the Royal Naval School Tal-Handaq Reunion 2013**

We hope you will enjoy your day, meeting up with old friends from your school days at Tal-Handaq and perhaps making some new ones. To guide you as you take a walk down memory lane, here are a few basic tips to help you find each other.

Today's 'Register' can be found in the pages of this booklet. The coloured circles on name badges identify core school years as seen below. The colour coding denotes your core years at Tal-Handaq and corresponds with table 'colours'. Corresponding coloured balloons decorate the cabaret style tables in the Claverton Suite. Choose your table carefully and Tal-Handaq pupils from your era should gather round you to share their stories and take a walk down memory lane. The faces may have changed but the name badges will help you to identify long lost friends.

Copies of the full RN School Tal-Handaq Reunion Association 'Register' are available on tables around the room. Please do not take them away before the end of the day so that everyone may use them to remind themselves of fellow classmates. If you would like a digital copy, please email [viv@dmeventservices.co.uk](mailto:viv@dmeventservices.co.uk) after the event and she will email one to you. If you spot the name of a friend who you would like to contact and they are not here today, please let us know and we will do all we can to put you in touch. Alternatively, if you know the whereabouts of any old friends who are not yet listed, please encourage them to join our 2,400 strong Alumni.
